Lisa Goodman Wins DFL Endorsement for Ward 7

A historic turnout leads to a decisive victory for Ward 7 City Council Incumbent, Lisa Goodman

Minneapolis, MN: Today, the Minneapolis DFL announced that Ward 7 City Council Member Lisa Goodman has won the Democratic-Farmer-Labor Party's endorsement to represent Minneapolis Ward 7 on the City Council.

Goodman was propelled by the largest turnout ever in a City Council race and an unprecedented subcaucus size. Goodman recruited 882 attendees, more than doubling the next closest Ward 7 subcaucus.

This historically large subcaucus led to Goodman receiving 391 delegate votes, enough to give her 61.6% of the vote.

Council Member Goodman had this to say about the victory, "I am proud to accept the endorsement of the DFL Party. Our Democratic values are based in a combination of progressive policy and practical thinking. During this difficult time in the City's history, we need proven, progressive, and pragmatic leadership, and my fellow DFLers agree."

Campaign Manager Zach Schultz agreed, "This unprecedented showing is a signal that Lisa maintains strong support throughout the 7th Ward and that our neighbors firmly believe in Lisa's track record of being a practical and progressive leader on the City Council."

The campaign further wants to thank the volunteers at the Minneapolis DFL for their hard work and responsiveness. Campaign Manager Zach Schultz said, "Every time we reached out to the Minneapolis DFL, someone responded within the day. We found them always willing to help and found the process open, transparent and honest. We want to commend the dozens of volunteers and in particular Chair Devin Hogan for the enormous effort in running this first ever virtual caucus."

Please feel free to reach out to the campaign should you have any questions about the endorsement. Email us at info@friendsforlisa.com or call Campaign Manager Zach Schultz at 608-219-2865.
